

# Cypress in Action!

Cypress: a sustainable resource – durable, distinctive, decorative

## Cypress NSW invites Architects, Building Designers, Builders, Timber Merchants and Flooring Suppliers to see and hear **Cypress in Action.**

AFS Environmental Certification and ATIC Quality Assurance, add that to Termite Resistance and natural Durability Class 1 and you have Cypress for the 21st Century, timber for the future.

Hear multi Australian Timber Design Award Winner, Peter Woolard talk about his winning Cypress projects and meet Gary Frencham, Architect/Builder turned Timber Merchant, who exclusively sells Cypress through his Frencham Cypress operation in southern Victoria.
